SUMMARY

Junior Frontend Developer with a strong background in **Front-end development** and a degree in Computer Science. Focused on building web applications using **React.js**, with solid skills in **JavaScript (ES6+), HTML5, CSS3**, and **Bootstrap**. I specialize in creating **Responsive Designs** that work perfectly on all screens. Because of my background in **Graphic Design**, I have a great eye for detail and can turn any design into high-quality code with a focus on a great **User Experience (UX)** and **UI/UX design**.

EDUCATION

- **Bachelor of computer science**, Department of information system, **Faculty of Computers & Informatics**, Benha University | **Graduation grade**: good.
- **Web Development Professional Diploma** | National Telecommunication Institute (**NTI**) | **Graduation grade**: excellent (95%).
- **Graphic Design Professional Diploma** | Information Technology Institute (**ITI**) | **Graduation grade**: very good .

EXPERIENCE

- **(2016 – 2017) | IT Help Desk Specialist | WE (Telecom Egypt)** .
  1. Solved technical hardware and software issues for users.
  2. Managed network setups and maintained system security.
  3. Communicated technical solutions clearly to non-technical staff.
  4. Improved internal IT workflows through team collaboration.

- **(2018-2019) | Graphic Designer | Al-Noor Printing House**.
  1. Designed various print materials including brochures, business cards, and banners.
  2. Prepared and optimized design files for high-quality printing production.
  3. Ensured color accuracy and layout precision for all client projects.

- **(2019-2021) | Graphic Designer | Smart Art.**
  1. Created high-quality visual designs and branding materials for various clients.
  2. Developed creative concepts for digital and print media projects.

COURSES

- **Advanced Web Development (HTML5, CSS3, JavaScript)** | Udacity / Online
- **Modern JavaScript (ES6+) Foundations** | Udemy / Online
- **Responsive Web Design & Flexbox/Grid** | YouTube
- **Graphic Design Masterclass (Branding & Visual Identity)** | Adobe Certified Courses
- **User Experience (UX) & Interface Design (UI) Fundamentals** | Coursera
